Nodding God were formed 666 years ago by Andrew Liles, David Tibet, and The UnderAge Shaitan-Boy in a Boys-Only preparatory boarding school in Babylon, since shut down by unfortunate events that took place there, in the night, in the dark.

Their first album, *Wooden Child*, is released on House Of Mythology in May 2019. Sung 93% in Akkadian by David, who has studied this language for many years, this New Baby God Who Nods—a Nodding God, a Godding Nod—*Wooden Child* is powered by Stars and Cuneiform and Pop and Drop and One Thousand Liles In One Thousand Axes.
