[The Kranky site](#) is now offering pre-orders for the new Stars of the Lid album, *Stars of the Lid and Their Refinement of the Decline*

. It's a 2xLP/3xCD set due for release on April 2nd, 2007. An exclusive MP3, &quot;

[Apreludes \(In C Sharp Major\)](#)

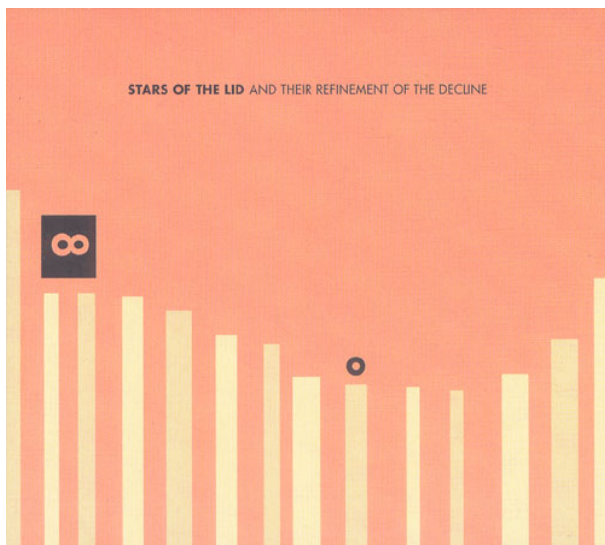

&quot; is available from Brainwashed and Kranky right here right now.

[Kranky](#) writes, &quot;Since we know that people have been impatiently waiting for new music from the Lid for a long time, and since we also know that the April 2 release date of the new *Stars of the Lid and Their Refinement of the Decline* album is still a long way off, we offer here a free taster from that massive work.

[Apreludes \(In C Sharp Major\)](#)

is one of the shorter tracks on the album, but that in no way implies that the emotional heft therein is diminished in any manner.&quot;

Here's the full tracklisting of the forthcoming two CD/three LP set:

Dungtitled (in A Major)

Articulate Silences Part 1

Articulate Silences Part 2

The Evil That Never Arrived

Apreludes (in C Sharp Major)

Don't Bother They're Here
