2010 marks the 30th year of existence for [The Legendary Pink Dots](#) . Their latest album, *Seconds Late for the Brighton Line*

is out now and they begin their extensive North American tour this week on Friday, October 15th in Vancouver, British Columbia. Brainwashed talked very briefly with Edward Ka-Spel, taking a snapshot of the current, about the latest album, the forthcoming shows, and the ever changing state of the Dots.
